## CERTIFICATE OF TREATMENT/RECYCLING

DOUGLAS AIRCRAFT COMPANY

FOR

MANIFEST NUMBER \_\_

89822355

DATE RECEIVED MAY 6, 1992

The agueous waste received on the above manifest will be treated to standards mandated by the FEDERAL CLEAN WATER ACT and to effluent requirements established by the Sanitation Districts of Los Angeles County. Waste treatment and recycling is performed under permits granted to CHEM-TECH SYSTEMS, INC., a California corporation, by the California Department of Health Services, in coordination with the Environmental Protection Agency, in accordance with the provisions of the Resource Conservation and Recovery Act (RCRA) of 1976, together with applicable federal and state regulations including but not limited to waste discharge requirements established by the Sanitation Districts of Isos Angeles County.

When the above described material is accepted by CHEMTECH SYSTEMS, INC. and treated/recycled and the aqueous phase discharged for further treatment by the Sanitation Districts, the certificate holder's responsibility for the material is eliminated under both RCRA and Proposition 65. Upon request, CHEM-TECH SYSTEMS, INC. will aske this certificate that all material bas been bandled in accordance with applicable permits, and the certificate bolder's liability has been terminated.

CHEM-TECH SYSTEMS, INC. a commitment to a clean environment
